Dear Tony,

With the assistance of PFI and salesman Jack, Hague Quality Water has made great strides in improving our image and advancing our sales objectives thru the use of your display services. **From developing effective and creative solutions to fabrication and implementation, your efforts have given Hague a professional image that we are very proud of.** Jack's efforts have been key to this success. His attention to project details and logistics have ensured that the entire process has been a winning combination for Hague.

PFI has continued to show amazing flexibility in meeting our wide range of marketing needs. The following list represents a portion of the major projects that have been completed by the PFI team:

- Corporate Lobby and Showroom
- Product Displays for Retail
- Custom Merchandizing Fixtures
- Trade Show Booths

The entire PFI team has proven to be a quality vendor that our company has had the good fortune to partner with. Please pass along my thanks and appreciation to Jack, the entire staff and ownership of the PFI organization.
