Dear Tony,

I wanted to take a moment to convey my appreciation to your company. Throughout the Exhibit/Display process, each of your associates has taken great care in making sure that each Tremco Barrier Solutions' project has been completed flawlessly. Communication and understanding of our goals and products have played a significant role in assuring success.

From concept to completion, PFI Displays has proven to be a valued partner. Please pass along my thanks to Jack and each associate within your organization. I look forward to a continued successful relationship for many years.

Sincerely,
