RE: Letter of accommodation for Jerry

Dear Tony,

Zerco experienced an extremely smooth installation and dismantle of our CTST booth in Las Vegas, thanks to the very professional and tireless efforts of Jerry.

Jerry makes a tremendous ambassador for P.F.I. His pleasant demeanor generates a positive, productive atmosphere throughout the entire process.

All assembly and dismantle was accomplished without a glitch. It is obvious that Jerry knows his stuff. He was on the job early everyday, made sure we always had everything we needed to get the job done and stayed as long as it took each day to make sure the booth was operating flawlessly.

P.F.I. is very fortunate to have an employee of the caliber of Jerry. We at Zerco, look forward to continuing to work with him in the future.
